

## GUIDE TO THE CALL FOR ABSTRACTS

**Deadline open until 5<sup>th</sup> April 2025**

The 15<sup>th</sup> ENERMAR Technical Conference will take place on **25<sup>th</sup>, 26<sup>th</sup> and 27<sup>th</sup> June 2025 in Viana do Castelo (Portugal)** under the motto:

### **The sea and renewable energies: The contribution of Naval Architecture and Marine Engineering**

The Ocean Renewable Energies working group (ENERMAR) of the Spanish Association of Naval Architects and Marine Engineers (AINE) has the pleasure of inviting all entities and people interested in the subject, to participate in the Conference as speakers in the different thematic panels that will be organized.

The **technical panels** will consist of presentations of 15-20 minutes, with a colloquium at the end of each session, on the following topics related to Ocean Renewable Energies:

- Floating Offshore Wind Power Generation
- Offshore wind power generation with fixed base
- Ocean energy generation: tidal, current energy, tidal, wave and saline gradient energy.
- Ships and devices of ocean energy support services
- Factories and methods of construction of offshore units.
- Naval Auxiliary Industry: Adding value to the final product
- Port and maritime logistics and operations
- Innovative offshore energy generation, storage or distribution systems
- Application of AI in offshore renewable energy
- Application of renewable energies in Naval Architecture and Marine Engineering
- Training in the field of Ocean Renewable Energies
- Methodologies for the validation of ocean renewable energy devices
- Digitization applied to Ocean Renewable Energies

Abstracts may be presented in both Spanish and English, however, given the international nature of the Technical Conferences, the text of the presentation will be required to be made in English.

The oral presentation can be made in Spanish, English or Portuguese.

Persons or entities willing to present a paper should send the abstract following the instructions in the template before **5<sup>th</sup> April 2025** to the email address [enermar@ingenierosnavales.com](mailto:enermar@ingenierosnavales.com), indicating in the subject **PONENCIA ENERMAR 2025** together with the title of the paper.

The abstracts will be drafted following the instructions in the template.

Among the papers that are not selected for the exhibition, a certain number will be chosen for possible exhibition as a technical poster during the technical days.

As a requirement, the authors of the selected papers and posters must register for the technical conferences under the corresponding reduced rate.

### **Planned timetable:**

- **5<sup>th</sup> April:** Deadline for submission of abstracts of papers.
- **19<sup>th</sup> April:** Selection of papers by the Technical Committee and communication to those selected.
- **26<sup>th</sup> April:** Delivery of the program.
- **15<sup>th</sup> June:** Submission of presentations.
- **25<sup>th</sup>, 26<sup>th</sup> and 27<sup>th</sup> June:** Celebration of the JJ.TT. ENERMAR 2025 in Viana do Castelo (Portugal).

**7<sup>th</sup> March 2025**
